How to use the family dinner conversation questions:

Print the question cards (page 3), cut paper into cards, and place all the questions into a mason jar or a bowl.

Take turns going around the table and drawing out a question. You could have each person choose a new question to answer or you could have one person choose a question and have everyone answer it.

****Finish all the questions in one day or spread them out over a week****

Take advantage of this time to get to know each family member on a deeper level and connect with the Holy Prophet (saw).

How to use the family activity cards:

Print the activity cards (page 4), cut paper into cards, and place all the activities into a mason jar or a bowl.

Take turns going around to draw out a card and carry out the activity.

Have some fun and connect with your family while also celebrating the birth anniversary of our beloved Prophet (saw).
